Year:	2017	Fuel Type:	Diesel
Condition:	Used	Beam:	6.8 m

Description

With an overall length of 30 meters, but with the possibility to register within 24 meters, the AB YACHTS 100 combines perfectly two main market requirements: maximization of the internal volume available together with the ease of management of a pleasure yacht, making AB 100 versatile and suitable for many needs. Launched in 2016 as a 2017 model, this luxury 30-metre motor yacht, boasts striking hull and superstructure design, as well as superb contemporary interiors and high performance.

The AB YACHTS 100 is built with the latest generation lightweight materials, advanced composites and special bonding systems, all technologies designed and tested by the Italian yard AB Yachts that have now become a landmark in the world of yachting and the DNA of the brand.

The performances the AB YACHTS 100 can achieve are simply outstanding and unique in their kind: with triple 1900 Hp MAN Diesel engines on MJP waterjets, this sport yacht reaches 50 knots maximum speed, with no vibrations and in total stability and maximum comfort of navigation.

Thanks to large side windows, the main deck is flooded with natural light to eliminate all barriers between inside and outside areas with panoramic views from the seats around the dining table or sofa in the living room. The outdoor areas are specially designed to enhance the moments to live in the open air, as well as the spacious sun deck and stern garage finished with refined materials that turn it into a charming beach club.

The gorgeous outside areas are composed by a generous sport bridge, a very wide stern cockpit and a large bow cockpit which includes a sofa, a table and a comfortable sunpad. Internally, there is a spacious, full-beam saloon divided into two areas: one with a comfortable corner leather sofa with coffee table, and the other dedicated to the dining area with a table for 8 people. A retractable 75" TV separates the wheelhouse from the relaxation area.

This AB YACHTS 100 for sale can accommodate up to 9 guests in 4 en-suite cabins: a master suite, a VIP cabin and 2 twin cabins. This performance superyacht also includes a fully equipped galley, a living room with a huge flat screen, a spacious sunbathing area aft and a stern with a chill-out area for more sunbathing.

The AB YACHTS 100 is designed to give unique and unexpected emotions and live your cruise as an exciting experience in the utmost comfort, as only AB Yachts can offer.
